PRESIDENT MESSAGE

DR. IBRAHIM MOHAMED MURSAL

"Welcome to your distinguished University" Dear students and parents, on behalf of the Mogadishu University family, including administration, faculty members, students, and myself, I welcome you to Mogadishu University which was established in 1997 as a higher education institution with modern academic programs.

Mogadishu University is committed to offering you quality education programs to respond to your educational needs and experiences.

To fulfill your needs, we collaborate with other national and international institutions to deliver practical experience through internships and student exchange programs. And that is why we continue expanding and strengthening our national, regional, and international education and research networks.

For this reason, we strive towards quality education and skills training for our students to prepare competent and qualified leaders for tomorrow. Finally, I extend my warmest appreciation to the Mogadishu University family for their hard work, dedication, and unique commitment to attaining the university's mission with their hard work. *Thank you.*
